

Blossom, Bubbles and Buttercup – otherwise known as the Powerpuff Girls – are three little girls with a mission: to save the world before bedtime. Blossom is the leader, Bubbles is the spirit and Buttercup is the tough one who most enjoys fighting the tough guys. SARA BELLUM

Sara Bellum is more than just a pretty face – in fact, nobody's ever seen her face. She takes her job as The Mayor's assistant very seriously and proves to be the real brains of the operation. But even with her keen intellect and imposing height, Ms. Bellum never lets herself overshadow The Mayor.

THE MAYOR

With his diminutive stature and dim-witted intellect, The Mayor appears to govern Townsville in name only. But what The Mayor lacks in smarts, he makes up for in heart. He's deeply protective of Townsville, if for no other reason than it's home to finest pickles he's ever tasted.

MS. KEANE

Ms. Keane is the most popular kindergarten teacher at Pokey Oaks, the school that Bubbles, Blossom and Buttercup attend.

BLOSSOM

Blossom is the leader of the Powerpuff Girls. She's strong and determined but methodical; she thinks things through. Blossom doesn't run off into a situation with just her emotions ruling her. Though as a leader she's powerful and productive, she tries hard not to be all work and no play.

BUBBLES

Bubbles is the softest and sweetest Powerpuff Girl. But that doesn't mean she's a pushover. She can kick monster and villain butt just as well as her sisters can. Sometimes bad guys and monsters have a tendency to dismiss her, but they're the ones who are always sorry.

BUTTERCUP

Buttercup is a tough, hotheaded tomboy. Buttercup doesn't have time for plans; she's all action. And don't try getting in her way! She fights hard and has a pile of victims to prove it. Buttercup takes her super strength super seriously. When evil emerges, Buttercup is toned and ready to fight fast and furiously.

TALKING DOG

Well, he may be able to talk, but he sure as heck can't drive.

PROFESSOR UTONIUM

Professor Utonium is a forward-thinking man of science. Supremely intelligent, he teaches classes in quantum physics and micro-nuclear fusion at Townsville Research Center. He is also a very compassionate man and loves to make a difference in the lives of his fellow citizens.

Sugar... spice... and everything nice, these were the ingredients chosen to create the perfect little girls, but Professor Utonium accidentally added an extra ingredient to the concoction... Chemical X...

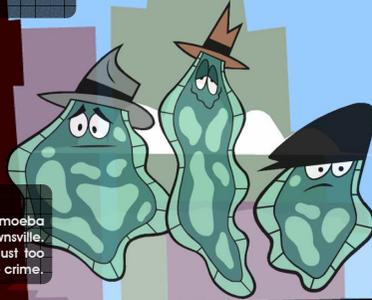

Thus, the Powerpuff Girls were born, using their ultra-super powers Blossom, Bubbles and Buttercup have dedicated their lives to fighting crime and the forces of Evil.

PRINCESS MORBUCKS

A spoiled little rich girl, Princess Morbucks can't buy the one thing she really wants: to be a Powerpuff Girl!

AMOEBIA BOYS

Bossman, Tiny and Slim - AKA The Amoeba Boys - are the lowest life forms in Townsville. These single celled organisms are just too underdeveloped to plot a worthwhile crime.

ROWDYRUFF BOYS

The evil male counterparts of The Powerpuff Girls - Boomer, Brick and Butch; these three boys were originally created by Mojo Jojo, using snips, snails, and puppy-dog tails, which he mixed together in a disgusting prison toilet. Their powers are a fairly even match for the girls.

HIM

Him is a villain so evil, so horribly vile, that even the utterance of his name strikes fear into the hearts of men.

FUZZY LUMPKINS

A hillbilly with no heart and less smarts, Fuzzy Lumpkins would prefer it if you stayed off his property. Now git!

SEDUSA

Ima Goodlady steals men's hearts, but her villainous alter ego, Sedusa, steals a whole lot more!

GANGREEN GANG

These no-good hoodlums - Ace, Li'l Arturo, Big Billy, Snake and Grubber - are more of a nuisance than anything else. Crank calls, graffiti and vandalism are their crimes of choice.

MOJO JOJO

Once the Professor's lab assistant, Mojo Jojo was transformed from a simple simian to an ambitious, megalomaniacal monkey courtesy of a dramatic accident that forever changed the course of Townsville's history.
